

## INTERNAL / EXTERNAL JOB POSTING

### Parenting Psychotherapist

#### Full Time Permanent

(May be included in the Bargaining Unit)

**Massey Centre (“the Centre”)** is an award-winning, accredited Children’s Mental Health Centre that is a multi-service, non-profit, unionized, community agency located in the east end of Toronto. The Centre is committed to nurturing empowerment, independence and growth for young pregnant and parenting women, children and families in a non-judgmental, inclusive environment by providing a residential care and treatment program; supportive transitional housing; on-site high school program, community housing support and referral services; and maternal infant mental health programs and services. We do this by working collaboratively as a multi-disciplinary team with community partners to provide holistic programs and support that respond to mental health, education and transitional needs. The Centre also operates an EarlyON Child and Family Centre and an Early Learning Centre. All the programs and services are open to families, young women and their children living in the broader community.

The Parenting Psychotherapist will engage pregnant and parenting young mothers in a variety of psychotherapeutic interventions with the goal to improve their ability to transition into parenthood and manage relationships with their children, family and friends while promoting growth in all life domains.

The Parenting Psychotherapist is part of the MIMH team which is collectively responsible for providing a variety of parenting and early childhood interventions for families with children 0 to 6 years old, in the community and those enrolled in other Massey Centre programs at both Broadview and Humewood Campuses.

The Parenting Psychotherapist is a team player who can provide single session client consultation, short or long-term counselling / psychotherapy and crisis intervention either in an office setting (virtually or in person) or in the community. The Parenting Psychotherapist assures that the family voice is integral to service and provides leadership in collaborating with other programs at the Massey Centre and community agencies and referral sources throughout the client’s course of treatment.
