

INTERNAL / EXTERNAL JOB POSTING

Program Coordinator, Maternal Infant Mental Health (MIMH)

Full time Permanent

Massey Centre (“the Centre”) is an award-winning, accredited Children’s Mental Health Centre that is a multi-service, non-profit, unionized, community agency located in the east end of Toronto. The Centre is committed to nurturing empowerment, independence and growth for young pregnant and parenting women, children and families in a non-judgmental, inclusive environment by providing a residential care and treatment program; supportive transitional housing; on-site high school program, community housing support and referral services; and maternal infant mental health programs and services. We do this by working collaboratively as a multi-disciplinary team with community partners to provide holistic programs and support that respond to mental health, education and transitional needs. The Centre also operates an EarlyON Child and Family Centre and an Early Learning Centre. All the programs and services are open to families, young women and their children living in the broader community.

The Centre has two new full time openings for **Program Coordinator, Maternal Infant Mental Health (MIMH)**. Reporting to the Manager, the Program Coordinator, MIMH is responsible for implementing and facilitating developmental screening and monitoring and coordinating individual Developmental Support Plans based on the evidence-based screening results for children from birth to five years old, as well as psycho-educational group programs, family interventions, with a focus on African Canadian and racialized families with young children.

The primary focus of this role is to promote and enhance optimal mental health and wellbeing and healthy child-caregiver relationships, through program delivery targeting early childhood mental health prevention and counselling services. The Program Coordinator, MIMH will build and maintain supportive relationships with the caregivers, teachers of the children participating in our programs as well as with our community partners and other stakeholders.

Term: Permanent Full-time (40 hours/week)

Program: Maternal Infant Mental Health

Reports to: Manager, Maternal Infant Mental Health Program

Qualification:

- Post-Secondary Degree in Child Development, or Early Childhood Education, or equivalent; Certificate and/or trainings in Infant Mental Health, attachment-based interventions, and work with young children preferred.
- At least 3 years’ work experience providing child development or infant mental health services.
- A clear understanding and knowledge of anti- racism/oppressive practices that impact BIPOC and 2SLGBTQQIA communities.
- Knowledge of African Canadian culture is required, and lived experience will be an asset.
- Knowledge of the issues affecting marginalized African Canadians and other racialized families with young children; as well as pregnant and parenting teens and their children.
- Demonstrated knowledge and skills in Infant Mental Health and early childhood development.

Date of posting: Jun. 2, 2022
